

There is some illegal dumping of brush and other waste on Crown Land occurring off FR 75 (around the 7 to 8 km mark). Not only it is illegal and unsightly, it has introduced a non-native species of garden plant that is spreading.

Dumping on Crown Land is illegal.

It is also illegal to remove sand, gravel, or wood from public lands.

To report illegal activity call the MNR TIPS Line at 1-877-847-7687.

If you are unable to dispose of your brush or waste materials on your own property, please take it to the municipal dump.
