### Time for Reflection

As 2023 draws to a close, why not take a moment, (just like this little owl) to breathe and quietly reflect upon the fabulous community-building celebrations that punctuated LKRA's 75th Anniversary. From the Special Edition Yearbook with heart-warming stories of early Kosh beginnings, to our reminiscent Kosh life video montages, to the fabulous 65th Annual Regatta and Founder's Day gathering, to the memories captured in the Simple Cottage Cooking Cookbook, to the wonderful closing party at the end of the summer - what an amazing year it was!

We wish all our members and their families a happy and healthy holiday season. Building upon this year's achievements, we look forward to working with you in 2024 to ensure that our strong and well-informed lake community continues to grow and prosper and, most importantly, that the quality of our lake environment remains second to none.

We'll be back in February with a new E-News sharing lake development to come in 2024. In the meantime, visit [our website](#) and enjoy the great pictures, stories and videos of 2023 for one more time.
