## **Greetings This Holiday!**

The LKRA would like to wish all our members and their families the happiest of holidays. However and wherever you celebrate this time of year, for most, getting together with friends and family is the best part! We hope this holiday you will think of our wonderful lake and your friends here, and enjoy reflecting on the memories you made in 2022.

2023 will be your Association's 75th anniversary and we have lots of plans to celebrate. Stay tuned for details! We are also encouraging our members to think about ways that they can preserve and improve our lake environment.

So, as you ring in the new year and make your new year's resolutions, please consider making one that involves your property on our lake. Perhaps it will be having your septic system pumped/inspected, maintaining your natural shoreline, or being more aware this summer of the damage a wake can cause to shorelines or neighbours' docks. Let's have fun working together in 2023 to sustain our beautiful lake environment!

All the best to everyone!
