

2021 LKRA MEMBERSHIP REPORT – AGM

Thank you to all our members for your support!

In 2020 we had 273 paid members out of 621 properties, for a rate of 44%. This was unfortunately down from the previous year, likely as a result of COVID-19 travel and gathering restrictions. (People who usually pay at the AGM or Regatta may have missed sending their fee in.) Some are paying this year for both 2020 and 2021.

Your 2021 LKRA membership provides for the following services:

- Supply of the equipment for volunteers to place safety markers around the lake
- Support of environmental programs such as water quality testing, loon surveys, fanwort control and wildlife studies
- Provide information on invasive species, shoreline restoration, etc.
- Communication including newsletters, website, eblasts and Facebook page
- Membership in Federation of Ontario Cottagers' Association (FOCA) which represents water-front residents' interest at a provincial level
- Representation at Havelock Belmont Methuen Lake Association
- Representation of our lake's interests at Local Township Council
- Monitoring and communication with Covia Mine
- A voice and a vote at the Annual General Meeting
- Association Insurance
- Support social events when possible, creating Lake Kasshabog memories for all
- Other programs and improvements as funds permit

Our LKRA executive consists entirely of volunteers who, like you, love our beautiful lake and want to make it better. So, if you haven't had a chance to do it yet, please send in your membership fee now!

You can pay your Lake Kasshabog Residents' Association \$25 membership fee by:

- sending the completed form and a cheque payable to: LKRA, Box 858, Havelock, ON K0L 1Z0, or
- at the drop box provided at Stoney Point Marina, or
- sending an e-transfer using the email address treasurer@kasshabog.ca. Then send a separate email to treasurer@kasshabog.ca with the security password you used and ALL the following information, even if you think it may already be in the database: Name, Home Address, Cottage 911 Address, Home Phone number, cottage phone number, and email address.

THANK YOU FOR YOUR SUPPORT!
